

# Pre-admission Overview & Checklist

Please call your doctor to schedule an appointment to have your pre-admission medical test completed. Let them know that you need to be seen as soon as possible to get labs and an EKG that are needed prior to treatment.

***Please note you can see anyone in the office.***

Print the list of medical tests below and take it with you to your doctor's appointment, this list includes our fax number.

## **TO: Physician :** \_\_\_\_\_

This patient is being evaluated for admission into our program and requires the following procedures and tests ordered and run STAT. **Please FAX all results, as they become available**, to Canopy Cove.
